Built with BaseKit Onboarding

Join the tech democracy revolution. Build effortless websites at speed with BaseKit and scale your company with small businesses.

sales@basekit.com

Resources

You'll get access to our BaseKit support portal with a huge variety of guides and FAQs on how to build with BaseKit.

You'll receive an email to verify your Upmind account and login to start managing your customers.

Start buying Start buying websites for your customers immediately within

Upmind.

Easy does it

Each website you buy is seamlessly connected to the BaseKit Platform - so you can start building right away.

Once each website is complete, you simply pass the BaseKit Platform url and login details to the customer and away they go.
